

UNIVERSITY OF GHANA

COLLEGE OF BASIC AND APPLIED SCIENCES

INSTITUTE OF APPLIED SCIENCE AND TECHNOLOGY

Dear All,

April 18, 2017

INSTITUTE OF APPLIED SCIENCE AND TECHNOLOGY

INDUSTRY- ACADEMIA INTERACTION SERIES

We are pleased to invite you to the third Industry-Academia Interaction Series (IAIS) hosted by the Institute of Applied Science and Technology. The IAIS is meant to provide a platform for presenting and discussing high-level research collaborations between local and international companies, and the UG research community.

The upcoming Interaction session will receive a presentation from prominent industry members such as **the CEO of Kantanka Group, CEO of Ghana Regional Appropriate Technology Industrial Service (GRATIS) and Founder of MCHAMMAH Engineering Company Ltd.** These companies are Ghanaian-owned conglomerate and leading manufacturers of specialized goods and services for industries such as agriculture/agro processing, environment and sanitation equipment, automobile and other associated services. There will be a plenary discussion as part of the programme followed by an exhibition of locally manufactured products. The following are the details:

DATE: Thursday 27th April, 2017

TIME: 9:00 AM –12:00 Noon

VENUE: Centre for African Wetlands

SPEAKERS: Mr. Ebenezer Kakrah Hammah, Nana Kwadwo Safo Junior, Dr. Emmanuel Asiedu.

For further information, please contact **Miss. Bertha Tamakloe on 0541 363 432 or e-mail iast@ug.edu.gh.**
